**Probable Cause Affidavit**

Before me this date personally appeared PIPER, CHRISTOPHER B. (3497) who being first duly sworn deposes and says that on 20 day of September, (year) 2015 at 1630 N.W. 128TH DRIVE 308, SUNRISE, FL 33323 (crime location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows:

location, 1630 N.W. 128th Drive Apt #308 Sunrise, FL. Upon entry into the apartment, Sunrise Officers and Fire Rescue observed Fidel Lopez crying for help standing next to the deceased, Maria Nemeth. Officers observed a large amount of blood on the floor surrounding Maria's body and on the floor inside the closet. There was damage to the walls and doors inside the apartment. It appeared that there was some type of struggle and foul play. Rescue 92 checked Maria's body for any signs of life and she was pronounced deceased at 0402 hours. A crime scene was immediately established and the apartment was secured.

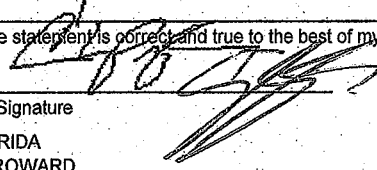

The Criminal Investigation Division was contacted and all essential personnel responded to the scene.

I arrived at the scene at 0509 hours. I was informed by Lt. Berman that Detective White and I would be the lead investigators. I made contact with Road Patrol Officer Twerkins, who advised me of the following: Fidel Lopez and the deceased, Maria Nemeth, live together inside apartment #308 (incident location). There are no other occupants. They've lived there for approximately one week. The decedent's boyfriend, Fidel Lopez, was standing by with Sunrise Officer Marzouca waiting to be interviewed.

After speaking with Officer Twerkins, I conducted a preliminary walk through of the apartment. I observed the decedent (Maria Nemeth) lying on her back naked on the bathroom floor inside the doorway. Her head was facing out into the hallway. There was blood observed on the bathroom floor, on the walls in the hallway, and on doors. There was a large amount of blood observed on the floor inside the closet. There were also what appeared to be several chunks of bloody tissue on the floor inside the

Before me this date personally appeared PIPER, CHRISTOPHER B. (3497) who being first duly sworn deposes and says that on 20 day of September, (year) 2015 at 1630 N.W. 128TH DRIVE 308, SUNRISE, FL 33323 (crime location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows:

closet. The rear glass sliding door was shattered. There were holes in the dry wall and the closet door was removed and lying on the hallway floor. It appeared that there was a physical struggle inside the apartment. I also observed a half full bottle of 1800 tequila and cut limes in the kitchen.

I was informed by Detective Jackson that there were next door neighbors in apartment #307 that heard a males voice yelling inside Fidel and Maria's apartment #308. The neighbors also heard loud banging noises coming from inside apartment #308. They said the loud noises went on for about two hours.

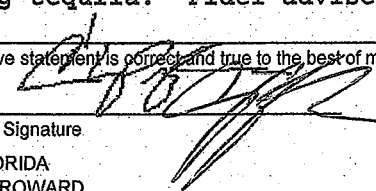

After the walk through, I made contact with the defendant, Fidel Lopez. I introduced myself and told him I was there to investigate what happened to his girlfriend, Maria. I asked Fidel if he would mind coming back to the Sunrise Police Station to be interviewed. Fidel agreed to voluntarily go to the police station. Sunrise Officer Crawford transported Fidel to the police station and brought him to the CID conference room. I made contact with Fidel in the conference room and provided him with food and drink.

At approximately 0740 hours, I brought Fidel to an interview room and began the interview. Before any questions were asked regarding the incident, Fidel was advised of his Miranda rights. Fidel completed and signed a written rights waiver form.

Fidel was interviewed about what happened to Maria. During the initial part of the interview, Fidel advised that he and Maria were hanging out inside the apartment drinking tequila. Fidel advised that at some point they began to have rough sex.

Fidel advised that Maria asked him to put a beer bottle and his fist inside her vagina. Fidel advised that he put both a beer bottle and his fist including his arm inside her vagina. Fidel advised the sexual act was Maria's idea and that she enjoyed it. Fidel advised that Maria then went into the bathroom to vomit. Fidel advised he later found Maria in the bathroom having trouble breathing. Fidel then called 911.

Detective White and I encouraged Fidel to be truthful in regards to what happened to Maria. Fidel then made progressive admissions throughout the interview and ultimately admitted to the following:

Fidel advised that he was inside the apartment with Maria drinking tequila. Fidel advised that Maria became very intoxicated. At some point, Fidel and Maria ended up inside the closet of the apartment. Fidel advised that they began to have vaginal intercourse. During that time, Maria said the name of her ex-husband twice. Fidel advised that hearing Maria say someone else's name during sex upset him and he became enraged.

At that point, Fidel left Maria inside the closet and began to break things throughout the apartment. Fidel shattered the rear sliding glass door and punched holes in the wall.

Fidel then went back inside the closet where Maria was lying unconscious. Fidel then began to insert several items into Maria's vagina and anus without her consent. Fidel advised that Maria was so drunk she and unable to resist. Fidel advised that he inserted a beer bottle, a flat iron for hair, and both his fist into her vagina and

anus. Fidel advised that his arm was inserted all the way up to his elbow. Fidel admitted that he inserted his fist and arms so violently inside Maria`s vagina that she began to bleed. Fidel advised that he became a "Monster".

Fidel admitted to pulling internal tissue out of Maria`s vagina that included intestinal matter. Fidel was shown pictures of what appeared to be bloody tissue on the closet floor. Fidel admitted that he pulled and ripped the bloody tissue out form Maria`s vagina and anus. Fidel advised that Maria never gained consciousness during this time.

Fidel then carried Maria to the bathroom and tried to put water on her face. Maria did not wake up. Fidel then washed the blood off his hands in the bathroom sink and then went out to the porch to smoke a cigarette. Fidel then advised he started to panic and went back into the closet and used items to cover up the bloody tissue. Fidel then went back to the bathroom to check on Maria. Maria was no longer breathing so Fidel called 911.

I swear the above statement is correct and true to the best of my knowledge and belief.
